

## **DE-CIX Indonesia Officially Joins APIX, Ready to Strengthen Asia-Pacific Connectivity!**

*Jakarta, Indonesia – 7 August 2024* – DE-CIX Indonesia proudly announces that it has officially become a member of the Asia-Pacific Internet Exchange (APIX) Association. This step further strengthens DE-CIX Indonesia's commitment to enhancing reliable and efficient internet connectivity across the Asia-Pacific region.

APIX is a renowned association for Internet Exchange Points (IXPs) in the Asia-Pacific, playing a crucial role in promoting collaboration among members. DE-CIX Indonesia's membership in APIX opens access to a vast network of IXPs, enhancing its ability to provide world-class interconnection services.

Through this membership, DE-CIX Indonesia is committed to actively contributing to strengthening collaboration and driving innovation in internet infrastructure across Asia-Pacific. “We are very pleased to join APIX and contribute to strengthening the internet ecosystem in this region. This is an important step in our journey to further solidify DE-CIX's position in the Asia-Pacific,” said Frank Orłowski, Executive VP of DE-CIX.

“We are excited to join APIX and look forward to contributing to the growth and development of the internet exchange landscape in the Asia-Pacific region, especially to boosting the digital transformation in Indonesia” added Thomas Dragono, Director of DE-CIX Indonesia.

DE-CIX Indonesia's participation in APIX also aligns with its strategic vision to expand its footprint and strengthen its position as a leading IXP in Southeast Asia. With this membership, DE-CIX Indonesia is ready to carry out its mission to provide smooth, reliable, and high-performance internet connectivity for businesses and consumers.
